Founded in 2012, UiLED is a team of passionate LED lighting industry professionals with deep expertise in providing multiple services including:

- PRODUCT SOURCING
- NEW PRODUCT DEVELOPMENT
- QUALITY CONTROL
- FACTORY AUDIT
- LOGISTICS COORDINATION

We are based in Shenzhen, China with professional inspectors in Zhejiang, Fujian, and Guangdong provinces which are the main electronics and lighting manufacturing area in China, and in Southeast Asian countries like Thailand, Vietnam and Maylasia which are the main new manufacturing area typically for American market.

We are dedicated to helping you and your company find sources for high quality, cost-effective energy saving products for the global market.

"UiLED" Name

The "U" stands for "you", our customer, who comes first always. And the "i" for our intelligent team who works with you and beside you, supporting your every need, providing best-in-class service at all times.

"Ui" in written Chinese name "优益" stands for "DOUBLE GOOD", which presents our company philosophy – " Be GOOD People; Do GOOD Work ".

Also, one of the pronunciations of "Ui" in Chinese is "special love". We love assisting others in bringing high quality LED solutions and energy-saving products to the global market, making the world brighter, greener and more efficient.
